

## Thurrock Data Centre - Feedback Form

Thank you for taking the time to share your views on the proposed Thurrock Data Centre.

You can answer as many or as few questions as you like and are welcome to use the additional space at the end of the questionnaire to provide further information.

### Have Your Say

1. Do you have any comments on our early proposals for Thurrock Data Centre, including the potential design and layout?

2. Do you have any information about the local area and local environment which you suggest we consider?

3. Do you have any ideas you would like to share about how we could support local community initiatives?

4. Do you have any thoughts on how our proposals could deliver recreation and amenity improvements in the areas around the lake?

5. Are you aware of any local organisations or schools that might be interested in partnering with Google?

6. Please leave any further comments or suggestions you have here.

We take your privacy seriously.

We have appointed SEC Newgate UK to assist us in carrying out this consultation. The consultant may collect the following data from you if you chose to share it: your name, address, email, age group and the content of the feedback you have given. They record this information about you for the purposes of asking for your views on the Thurrock Data Centre.

Your personal data will not be used for any other purpose without your consent. All feedback presented in response to our planning proposals (i.e., as part of our Statement of Community Involvement) will be anonymised and will not include your contact details. At the end of the project, the consultant will remove your contact details from their information systems.

If you wish to review their privacy policy in more detail, please visit their website, [secnewgate.co.uk](http://secnewgate.co.uk)
